SUMMERY

Motivated and passionate Full-Stack Web Developer with hands-on experience in developing responsive, user-centric web applications using PHP, Laravel, React, JavaScript, and Firebase. Skilled in integrating real-time features, REST APIs (e.g., TMDB), and modern UI frameworks like Bootstrap and Tailwind CSS. Proven ability to deliver full-fledged projects such as e-commerce websites, movie platforms, and task management tools. Currently pursuing a Higher National Diploma in Information Technology (HNDIT) and actively seeking an internship opportunity as a **Software or Web Developer** to contribute to real-world projects and grow within a collaborative, agile development team.
